For emergency information out of hours, phone the Customer Service number above and follow the menu prompts to option 3. **For emergency medical assistance phone 000**.

1. Product Information					
Product Name: Surgistain®	Manufactured by	RUHOF CORPORATION	Supplier	Big Green Surgical Company	
Product Code: 34572	Address	393 Sagamore Avenue,	Address	46 Albert Street, Preston,	
Product Use: Medical Instrument Cleaning	Address	Mineola, NY 11501-1919 USA	Address	VIC, AUSTRALIA 3072	

2. Hazards Identification

GHS Classification Respiratory Sensitization Category 1

Section 2.1 Label Elements

Hazard Pictograms

Signal Word: Danger

Prevention • Wear eye/f

- Wear eye/face protection.
- Avoid breathing dust/fume/gas/mist/vapours/spray.
- In case of inadequate ventilation wear respiratory protection.

Eyes

• IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Precautionary Statements

• Immediately call a POISON CENTER or doctor/physician.

Hazard Statements:

Causes serious eye damage

Inhalation

- IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing
- If experiencing respiratory symptoms: Call a POISON CENTER or doctor/physician.

3. Composition/Information on Ingredients

Chemical Name	CAS-No	Weight %	Trade secret
Phosphoric Acid	7664-38-2	<25	*

^{*}The exact percentage (concentration) of composition has been withheld as a trade secret.

4. First Aid Measures

General Advice	If symptoms persist, call a physician. Do not breathe dust/fume/gas/mist/vapours/spray. Do not get in eyes, on skin, or on clothing.
Eye Contact	Immediately flush with plenty of water. After initial flushing, remove any contact lenses and continue flushing for at least 15 minutes. Keep eye wide open while rinsing. Immediate medical attention is required.
Skin Contact	Wash off immediately with soap and plenty of water removing all contaminated clothes and shoes. If skin irritation persists, call a physician.
Inhalation	Move to fresh air. Avoid direct contact with skin. Use barrier to give mouth-to-mouth resuscitation. If breathing is difficult, give oxygen. If breathing is irregular or stopped, administer artificial respiration. If symptoms persist, call a physician.
Ingestion	Do NOT induce vomiting. Drink plenty of water. If symptoms persist, call a physician.

5. Fire-fighting Measures

Suitable Extinguishing Media	Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
Unsuitable Extinguishing Media	No information available.
Specific Hazards Arising from the Chemical	May cause sensitization by inhalation Thermal decomposition can lead to release of irritating gases and vapours. In the event of fire and/or explosion do not breathe fumes.
Explosion Data	Sensitivity to Mechanical Impact - None. Sensitivity to Static Discharge - None.
Protective Equipment and Precautions for Firefighters	As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. Accidental Release Measures

Personal precautions, protective equipment and emergency procedures	Personal Precautions: Evacuate personnel to safe areas. Use personal protective equipment. Avoid contact with skin, eyes and clothing. Keep people away from and upwind of spill/leak.			
Environmental Precautions	Prevent further leakage or spillage if safe to do so. Prevent product from entering drains. Do not flush into surface water or sanitary sewer system. Prevent entry into waterways, sewers, basements or confined areas.			
Methods and materials for containment and cleaning up	Methods for Containment: Prevent further leak age or spillage if safe to do so. Methods for Cleaning Up: Dam up. Soak up with inert absorbent material. Pick up and transfer to properly labelled containers.			

For emergency information out of hours, phone the Customer Service number above and follow the menu prompts to option 3. **For emergency medical assistance phone 000**.

7. Handling and S	Storage	Wear nors	onal protective equipmen	nt Avoid contact with a	in ever and elst	hina Da	move and wash
Handling		Wear personal protective equipment. Avoid contact with skin, eyes and clothing. Remove and wash contaminated clothing before re-use. Do not breathe vapours or spray mist. Use only in area provided with appropriate exhaust ventilation. Do not eat, drink or smoke when using this product.					
Storage		Keep in properly labelled containers. Keep out of the reach of children. Keep containers tightly closed in a cool and well-ventilated place.					ers tightly closed in a dry,
Incompatible Products	1	None know	vn based on information	supplied.
